One people today totally dominate and control the entire world, its politics, economy, culture, news, sports, entertainment, fashions, travel, etc. They possess absolute power that no possible combination of rivals can now challenge. Moreover, there is no secular evidence to suggest that their powerful grip over the whole world can ever be successfully challenged. They do much more than control the world. They change, unfold and reinvent themselves, and then change the world as well, until it becomes their carbon copy. They have broken down all the barriers that have for ages separated people from each other, and a single global society has emerged for the first time in human history with a single language, English. They are the Judeo-Christian Euro-world-order (i.e., modern secular western civilization), and they are an absolutely unique phenomenon in history.

They are an ominous 'world-order', ominous for Arabs and Muslims in particular, and for non-Europeans in general. But even those European people who would live lives of piety, faith and righteousness are not spared. The 'world-order' wages relentless war on the religious way of life in general, and on Islam in particular. They use their absolute power to corrupt, to oppress, and to engage in acts of injustice and wickedness with no parallel in history.

Jewish Christian 'white' war crimes now inflicted on Arab Muslim Iraq are but a continuation of 'white' apartheid inflicted on black Christian Africa. Their greed is indescribable. They suck the wealth of all of mankind through legalized theft, and they even take from the poor the little that they possess. Eventually they imprison all of mankind in a new economic slavery. They are essentially godless and amazingly decadent, and possess such powers of deception that 'appearance' and 'reality' are always opposite to each other in everything they do.

Finally, they are a world-order that is strangely and mysteriously obsessed with liberating the Holy Land. Europe became Christian and then waged 'white' Holy Wars called 'the crusades' for a thousand years until success was finally achieved when a British army, led by General Allenby, defeated the Ottoman Islamic Empire's army and triumphantly entered Jerusalem in 1917. Allenby then declared "today the crusades have ended". In fact the crusades will not end so long as Muslims resist oppression in the Holy Land.

Europe also became Jewish and created the 'white' Zionist Movement which then fanatically pursued the goals of the Jewish return to the Holy Land and the restoration of a State of Israel. The European Jew was a native of the Khazar tribes of Eastern Europe and was a convert to Judaism. He was not Israelite. Yet the European Jews successfully led the way, employing means more crooked than straight, for the restoration of a State of Israel in the Holy Land. They used the same means to literally force the Israelite Jews, long resident in the Muslim world, to migrate to that secular State of Israel.

The Judeo-Christian Euro-world-order has protected and strengthened that Israel to such an extent that it has now become a super-power. Indeed it will soon become the 'ruling state in the world.

Can all of this be an accident of history? Can it be something without meaning and explanation?

There are scholars and writers who might shrug their shoulders and dismiss all of the above as mere chance. And then there are others who would be convinced by the evidence presented from the Holy Qur'an that today's strange world-order is that of Gog and Magog. Dajjal (the Anti-Christ) deceived the Jews into defying every moral and religious law while pursuing an unrelenting effort to make Israel the 'ruling state' in the world. But they make that effort while riding the back of the 'Gog and Magog world-order'. In the end they will face the Messiah they had rejected, and whose crucifixion they had demanded. Allah Most High, Who created Gog and Magog, and Who gave to them their indestructible power, would Himself now destroy Gog and Magog. A Muslim army would then attack and destroy the Euro-Jewish State of Israel, and the Jews in the Holy Land would then face, at the hands of that Muslim army, the greatest of punishments. The 'oppressor' would be punished, and history would thus end with the triumph of Truth over falsehood.

We now present in summary, the evidence from the Qur'an that supports our identification of Gog and Magog with the present world-order.
